Please arrive at our SPA reception about 10 minutes before your treatment begins. Out of respect for the guests who follow, we ask for your understanding that if you arrive late, your treatment time will be shortened accordingly. We recommend a refreshing shower before your treatment.

Time for peace & quiet

Our FÄHRHAUS SPA is a place of peace and relaxation, so we kindly ask you to respect the privacy of other guests. Apart from ordering drinks, the use of mobile phones, tablets and cameras is not permitted. In the interest of all guests, please note the minimum age of 16 for sauna admission. Bringing drinks in glass and snacks into the SPA area is not permitted. For safety reasons, we serve drinks in plastic cups. Please note that smoking is prohibited throughout the SPA area.

Please note that combining treatments with the sauna or steam bath may, in individual cases, enhance or limit treatment results.

Please come to your treatment in your bathrobe. We are happy to offer you disposable briefs and always treat your privacy with care. Please note that only the sauna area is clothing-free. Out of respect for other guests, we ask you to wear swimwear in the pool area. You will find a bathrobe, towels and slippers in your personal SPA bag.

Personal wishes

Before each treatment we ask about your individual goals and wishes. Expert advice is part of every treatment and very close to our hearts.
